Dear Mr. Amundson,

I am pleased to inform you that the Orange County Professional Firefighters Association (OCPFA) - IAFF Local 3631 is proud to endorse you in your candidacy for city council in the City of Seal Beach.

The OCPFA works to help elect or re-elect candidates who demonstrate a true understanding of the challenges facing Firefighters and Paramedics and the rigorous nature of our profession. Candidates who earn our endorsement become trusted allies who we rely on to advocate on our behalf and who share our mutual concern for Firefighters and public safety.

As you know, the population throughout Orange County continues to rise, creating more density and increasing the demands on our already taxed First Responders. Our Firefighters are working longer, harder, and responding to more fires and emergency incidents than ever before in the history of the OCFA. 2017 proved to be an exceptionally challenging year as we responded to devastating wildfires and disasters across the State. That is why it is critical for our elected officials to make public safety a top priority.

On behalf of the more than 1,000 members of the Orange County Professional Firefighters Local 3631 that we proudly represent, we wish you much success in your upcoming election and in all your future endeavors.

We look forward to working with you when you are elected on November 6th in the City of Seal Beach! Congratulations on receiving our support.

Sincerely,

R. Todd Baldrige, MPS
Political Affairs Director
Orange County Professional Firefighters Association
